

# Wellness Nordic Relax® Chair

Helping people with cognitive disorders relax through soothing music and tactile stimulation can have a beneficial effect on their wellbeing and quality of life.

The fully-automated Wellness Nordic Relax Chair combines these functions with a rocking motion to offer a unique and calming multi-sensory experience.

- Built-in audio system with MusiCure® music
- 3 pre-set automatic programmes offering multi-sensory stimulation
- Easy-to-clean, soft imitation leather
- Swing-out armrests
- Removable incontinence cover
- Wheeled pedestal for easy integration to Arjo patient lifters
- Optional: Heavy blanket and U-shaped cushion

# Colours and options
