1.1 Arjo (Ireland) Limited (Company Reg. No. IE238034), ("Arjo") sells equipment, parts, materials and/or hardware/software (collectively, "Equipment"), subject to these Terms & Conditions ("T&Cs"), all of which constitute, or are otherwise expressly incorporated into and made part of, the agreement between Arjo and the Customer (the "Agreement")

1.2 No order submitted by Customer shall be deemed to be accepted by Arjo unless and until confirmed by Arjo.

1.3 The Customer shall be responsible for ensuring the accuracy of the terms of any order (including any applicable specification) submitted and for providing Arjo with any necessary information relating to the Equipment within sufficient time to enable Arjo to perform the Agreement in accordance with the T&Cs.

1.4 All other terms, including any which the Customer seeks to incorporate, or implied by course of dealing or by custom or practice, will not apply.

2. Delivery & Performance

2.1 Delivery or Performance dates are given in good faith but any time or date quoted by Arjo for delivery or performance is an estimate only and Arjo shall not be liable for any damages or loss whether direct, indirect or consequential caused by any delay in delivery or performance. Time for delivery or performance shall not be of the essence.

2.2 The Customer shall have no right to rescind the Agreement on the ground only that delay in delivery or performance has occurred.

2.3 Arjo shall at the Customer's expense make such arrangements for carriage and delivery as it thinks fit.

2.4 If the Customer fails to take delivery of the Equipment or fails to give Arjo adequate delivery instructions by the time stated for delivery (otherwise than by reason of any cause beyond the Customer's reasonable control or by reason of Arjo's fault) then Arjo may:

2.4.1 sell the Equipment at the best price readily obtainable and (after deducting all reasonable storage, transportation costs, freight charges and selling expenses) account to the Customer for the excess over the price under the Agreement or charge the Customer for any shortfall below the price under the Agreement;

2.4.2 store the Equipment until actual delivery and charge the Customer for the reasonable costs (including insurance) of storage; or

2.4.3 if the delivery of the Equipment is delayed at the Customer's request more than 30 days after the first day of the week in which delivery is due, Arjo is entitled to increase the price of the Equipment to that shown in Arjo's price list current at the actual date of delivery, together with a charge for storage per clause 2.4.2.

2.5 Risk of damage to or loss of the Equipment shall pass to the Customer at the time of delivery to the Customer or, if the Customer wrongly fails to take delivery of the Equipment, the time when Arjo has tendered delivery of the Equipment.

2.6 In respect of providing proof of delivery or installation the parties agree that:

2.6.1 Arjo shall provide a proof of delivery document (in the case of delivery of Equipment) ("POD"), or a proof of installation document (in the case of installation of Equipment) ("POI") to the Customer at the time of delivery or performance of installation as applicable;

2.6.2 The Customer's signature on the POD or POI shall constitute acceptance that delivery or installation of Equipment has occurred and the Customer may not be entitled to withhold payment pending receipt of POD and/or POI from Arjo.

2.6.3 The Customer shall have the responsibility to retain and store their copy of the POD and/or POI in respect of each delivery or installation though in the event that Arjo are requested by the Customer to provide a copy POD and/or POI, Arjo may levy an administration charge at a rate of €25 per POD/POI requested in addition to any late payment charges and interest (if applicable) as set out at clause 4.

3. Price

3.1 Subject to the provisions of this clause 3 the price of the Equipment or for the installation of the Equipment shall be:

3.1.1 As quoted; or

3.1.2 Where no price has been quoted, or the quoted price is no longer valid, the price listed in Arjo's price list current at the date of acceptance of the order

3.2 Arjo reserves the right, by giving the Customer written notice at any time before delivery, to increase the price of the Equipment or the price for the installation of the Equipment to reflect any increase in cost to Arjo which is due to any factor beyond its control (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the cost of labour, material or other costs of manufacture), any change in delivery dates, quantities or specifications for the Equipment which are requested by Customer or any delay in Customer's instructions or Customer's failure to give Arjo adequate information or instructions.

3.3 The costs of delivery and installation will be charged in addition to the price of the Equipment, and specific provisions relating to installation are stated at clause 14 below.

3.4 The price is exclusive of all applicable taxes and duties, including value added tax which the Customer shall (where applicable) be additionally liable to pay to Arjo.

3.5 Quotation prices are only valid for 30 days, unless otherwise agreed by Arjo.

3.6 Where the Customer considers that Arjo has made an error in respect of pricing only on any invoice, the Customer shall have 21 days from the date of the invoice to raise a query with Arjo. The Customer shall have no right to withhold or set off the payment of any invoice for any other reason. In the event that the Customer raises no query on pricing within 21 days of the invoice date, the Customer shall be deemed to accept any invoice submitted by Arjo. Failure to settle any invoice in full within 30 days of the date of invoice shall cause late interest fees to accrue per clause 4.

4. Payment

4.1 All accounts must be paid net cash no later than 30 days following the date of the invoice

4.2 Interest will be charged on all sums overdue at the rate of 4% per annum above the published LIBOR base rate to be calculated from day to day to run from the invoice date to the date of payment both before and after any judgment, or such higher rate as may from time to time be prescribed by law.

4.3 The Customer accepts that Arjo will exercise its statutory right to claim interest and compensation for debt recovery costs under the late payment legislation if Arjo is not paid within 30 days of the invoice date.

4.4 The time for payment shall be of the essence.

4.5 Arjo reserves the right to issue and send all documents, including but not limited to notices, invoices, statements, terms and conditions, quotes and order acknowledgements to the Customer in an electronic format, and the Customer accepts to receive all such documents electronically (including receipt of invoices) by e-mail.

5. Background Checks & Liens

5.1 Arjo may conduct such credit checks, or other background checks as it shall deem appropriate and applicable by law, and the Customer agrees to cooperate and comply with such checks. If Arjo does not approve extension of credit to the Customer, or if, at any time, Arjo, in its sole determination, should deem itself to have reasonable grounds for insecurity regarding the creditworthiness of Customer (even if Arjo has previously extended credit to Customer), terms of payment shall become partial or full advance payments at Arjo's exclusive discretion. If Customer fails to comply with the terms of payment or any other terms of the Agreement, Arjo reserves the right to cancel the unfilled portion of any order and Customer shall remain liable for all unpaid amounts. Arjo shall have a lien over any Equipment provided under the Agreement, as permitted by applicable law.

5.2 Customer agrees that Arjo may use the Customer's data, including any personal data, for the purpose of making credit checks, and the Customer agrees to Arjo's collection, storage and use of such data for this purpose. Personal data will not be shared with third parties without the Customer's consent.

6. Warranty

6.1 Subject to clause 6.5, Arjo warrants that, for a period of 12 months (unless otherwise stated) from delivery (the **Warranty Period**), the Equipment will:

6.2.2 more than eight weeks following delivery, Arjo will deem the Warranty Period to commence from eight weeks from delivery in any event.

6.3 If during the Warranty Period the Equipment does not comply with clause 6.1, then subject to clause 7 below, Arjo will at its option, replace any such Equipment or repair the said Equipment at its own expense. Defects arising from fair wear and tear, unauthorised damage, negligence, abnormal working conditions, failure to follow instructions, misuse, accident, incorrect specification supplied by the Customer, incorrect or inappropriate installation or maintenance (where installation or maintenance is carried out by persons other than Arjo or its Agents), where the Customer uses any Equipment after notifying Arjo that it does not comply with clause 6.1, or any other matters beyond the control of Arjo are not covered by this warranty.

6.4 In any event, should the Customer (or its agent) attempt to replace parts, repair or otherwise maintain any Equipment during the Warranty Period for any Equipment, such act will automatically invalidate this warranty.

6.5 In the event that Arjo agrees to extend the Warranty Period or if the Customer purchases an extended warranty (if offered by Arjo), the period of warranty for any Equipment purchased shall endure for any extended warranty period, otherwise the provisions of this clause shall remain applicable.

6.6 Subject as expressly provided in these terms, and except where the Equipment is sold to a person dealing as a consumer (within the meaning of the European Communities (Unfair Terms in Consumer Contracts) Regulations, (SI 27/1995)), all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent permitted by law.

7.1.1 within 7 days of the delivery of the Equipment; or

7.1.2 subject to clause 6.2, within 7 days of installation of the Equipment by Arjo if the Equipment is not installed and commissioned on the date of delivery.

7.2 Failure to comply with the foregoing shall be deemed acceptance of the Equipment as delivered and installed, irrespective of any damage or impaired functionality of the Equipment, and the Customer shall remain bound to pay the full price of the Equipment.

7.3 Payment shall constitute acceptance of Equipment, and the Customer shall not be permitted to any set off against any amounts due to Arjo. All claims for errors, shortages, defective or non-conforming goods, warranty breaches, defective or non-conforming services, installations or allowances (collectively, "Non-Conformance") must be made to Arjo in writing. 7.5 All claims for any Non-Conformance with respect to any installation must be made within thirty (30) days following performance of the installation at issue.

7.6 With respect to claims of Non-Conformance for installation, Arjo's only obligation shall be to correct such Non-Conformance or other breach by repair or re-performance of the applicable installation, as determined by Arjo.

7.7 The remedies under a warranty and the repair or replacement remedies under this clause 7, as applicable, shall be the Customer's sole remedy for any claim related to any Equipment. If warranty service or replacement is to be provided, Arjo shall have a reasonable period of time from the date it receives notification to perform such service or replacements (which reasonable period of time may, in some cases, be the standard lead time required to obtain parts or Equipment).

7.8 At reasonable business hours Arjo may enter upon the Customer's premises for the purpose of inspecting any Equipment subject to a claim of Non-Conformance or other breach and/or to provide the repair or replacement described in this clause 7.

7.9 Where Arjo elect to repair or replace any Equipment subject to a claim of Non-Conformance, the Customer shall ensure that:

7.10 Where Arjo has received a notice of Non-Conformance from the Customer, and Arjo has informed the Customer on which date Arjo shall either collect or repair the Equipment in question, the Customer shall ensure that Arjo has access to such Equipment and in cases where Arjo is not able to gain

access to the Equipment, Arjo reserves the right to charge the Customer a call out charge in accordance with clause 11.4.

7.11 Where Arjo inspects any Equipment subject to a claim of Non-Conformance and determines that the Equipment is either not faulty or the reason that the Equipment does not work is due to a factor outside of Arjo's control, the provisions of clause 14.5 shall apply.

8. Liability

8.1 Arjo does not exclude its liability:

8.1.1 for death or personal injury caused by its negligence, or

8.1.2 for breach of the terms implied by s 12 of the Sale of Goods Act 1983 (as amended by s 10 of the Sale of Goods and Supply of Services Act 1980), or

8.5 No possession, use, installation (by other than Arjo), operation, selection or return of any of the Equipment shall impose any liability or obligation for or on behalf of Arjo, other than arising from the negligence or misconduct of Arjo.

Any action against Arjo under the Agreement or related to any Equipment or otherwise related to or arising under or in connection with any order, quote, purchase, installation, service or other agreement must be brought within one (1) year after the cause of action accrues.

9. Arjo Indemnities

9.1 With the exception of Equipment which is modified or used by the Customer other than in accordance with this Agreement, Arjo will defend or, at its option, settle any action brought against the Customer arising from any claim that the use of the Equipment or receipt by the Customer of any services in accordance with this Agreement infringes any third party intellectual property right, and indemnify the Customer against all reasonable costs and expenses incurred by the Customer in connection with such claim.

10.2 The Customer shall indemnify Arjo in respect of liability to any person caused by the addition to any Equipment supplied by Arjo of any part which is not an Arjo designated part and Arjo shall have no liability to the Customer for loss or damage or injury directly or indirectly caused by such addition.

11. Cancellations & Charges

11.1 Subject to the right of Customers who act in the capacity of consumers to return goods for refund under The European Union (Consumer Information, Cancellation and Other Rights) Regulations 2013 (SI 484/2013) (and only if those regulations apply), no order placed by the Customer or the Customer's

agent may be cancelled or amended unless it is specifically agreed by Arjo in writing. Equipment returned must be authorised in advance by contacting our customer support department and obtaining a collection or cancellation number and shall be subject to clause 11.3 in any event.

12.1.3 at any time, pursuant to the background checks conducted as provided for herein, Arjo shall determine that the Customer does not meet its criteria to purchase the Equipment on the terms of the Agreement or at any time, in the event of any default by the Customer or if the Customer fails to comply with any of its obligations under the Agreement. In the event of such termination by Arjo, there shall be no liability on the part of Arjo for any amount whatsoever.

13.4 Notwithstanding clause 13.3.5, the Customer may use the Equipment in the ordinary course of its business until such time as it becomes aware or ought reasonably to have become aware that an event specified in clause 12 (Termination) is or is likely to occur.

13.5 If, at any time before title to the Equipment has passed to the Customer, the Customer informs Arjo, or Arjo reasonably believes, that the Customer has or is likely to become subject to any of the event specified in clause 12 (Termination), or if the Customer shall fail to pay the price for the Equipment within the time permitted at clause 4.1, Arjo may:

14.6.2 Whereas an invoice is issued by Arjo for any Equipment upon the dispatch of the Equipment, an invoice for the installation of Equipment is issued upon successful installation of Equipment by Arjo. Queries in relation to invoices raised for both Equipment and installation of Equipment are dealt with per clause 3.6;

14.6.3 Per clause 2.6 above, Arjo will provide the Customer with a POI document and a commissioning certificate which Arjo shall require the Customer to counter-sign. It shall be the responsibility of the Customer to retain the POI and the commissioning certificate and it shall be not acceptable for the Customer to withhold or delay payment for any Equipment or the installation of Equipment pending receipt of a copy POI or commissioning certificate. In circumstances where the Customer fails to pay invoices within the period stated at clause 3.6 or otherwise as agreed by Arjo, Arjo may charge the Customer in accordance with clauses 2.6, 3.6 and 4 above.

Arjo shall not be liable for any direct, economic or consequential loss (including loss of profits, revenue or goodwill) that Customer may suffer.
